

1343 - Central Saanich Public Works, Saanichton, B.C.

The Public Works Department of Central Saanich – a municipality on the Saanich Peninsulas, on Vancouver Island, north of Victoria, BC required a larger sand/salt storage facility to replace another

MegaDome facility constructed previously by BuildWorks. After completion of this new 60-foot wide structure, the earlier structure (See # 1275) was re-purposed to a general storage building.
