### 1460 - B.C. Maritime Employers Association, Richmond, B.C.

BCMEA is the waterfront organization representing approximately 65 ship owners and agents, stevedore, container, bulk and break bulk terminal operators on Canada's West Coast. In order to maintain a high level

of safety and service a new training facility for longshoremen and warehouse workers was required. This Megadome will be used for the storage of machinery and equipment utilized in the training program.
