Clear Span Storage Solution – In 1972 a roofing empire was born when Convoys Supply opened its first location as a supplier for the insulation, roofing and siding industries. With a strong commitment to their customers and suppliers, Convoys’

reach has spread to about 40 locations across Canada and Northwest USA. Their high standards of service and consistent product quality demands efficient product warehousing. BuildWorks provided the storage solution with a clear-span 100’ wide MegaDome.
