**More Covered Storage in 10 days** – Standard Building Supplies, a top construction materials supplier in Burnaby and North Vancouver, is dedicated to delivering excellent customer service to residential, commercial, industrial, and film industries. With a modern fleet of

delivery trucks, the company partnered with BuildWorks to expand their outdoor storage. The 40' x 51' MegaDome® structure, totaling 2,040 sq. ft., was swiftly built in under 10 days, minimizing disruption to their daily operations.
